Mr. John D. Iams
The Comptroller
Central Intelligence Agency

Dear Jack:

25X1

I wanted you to know that [redacted] did an absolutely splendid job in pulling together briefings materials for my appearance on the Hill earlier this week. She performed with great dedication and intelligence, and made it significantly easier for me to convey the nature and importance of the Agency's mission. Please let [redacted] and your colleagues know how much I appreciate their efforts.

Faithfully yours,

25X1
